Mr. Little called the meeting to order at 5:00 p.m. He read the statute regarding conflicts of interest to the Trustees and asked the Board of Trustees (BOT) if there were any potential conflicts with the agenda items to be discussed. Hearing none, Mr. Little proceeded to the next item of business.

Mr. Hurst offered a moment of reflection.

Representative Garland Pierce of Hoke County presented Irish Pickett with the prestigious award,

Tess Regan, Coordinator of Advanced Manufacturing, presented information regarding the SCC Welding Program. A brief history of the program, which began in 2014, included information regarding classes and certifications accredited by the National Center for Construction Education & Research. Her presentation included samples of student projects used to gauge their success.

Ms. Lyons administered the Oath of Office to new Board members, BethAnn Pratte and Stephen Woodward, and for the reappointment of Trustee Irish Pickett.

Dr. Stewart designated Teresa Sheets to be the assistant secretary to the Board of Trustees

Mr. Clendenin explained that the original agenda that had been emailed to the Board had been amended by a second email adding the minutes of the June 15, 2023, meeting. Mr. Clendenin made a motion to approve the amended agenda. Mr. Horne seconded the motion, and the motion passed unanimously.

Mr. Clendenin made a motion to approve the June 15, 2023, agenda. Ms. Pickett seconded the motion, and the motion passed unanimously.

Dr. Farmer introduced new Student Government Association (SGA) President, Andrew Jimenez. Mr. Jimenez then presented the SGA report. Various events have been planned daily for students during a new 42-day initiative to help kick off the fall semester as a means to foster student engagement and retention. Mr. Jimenez introduced the Board to the student newsletter as an active tool for student engagement as well as a new Student Life Instagram account. Students have indicated they would like to have a winter formal, as it was a great success last year. Students will meet in the Clement Dining Room for 22, 2023.

Mr. Caddell reported for the Buildings and Grounds Committee. The Hoke County parking lot is now ready for student use. To facilitate the new parking lot, among other tasks, a fence was moved, a dumpster was relocated, and gravel was spread. The \$42,000 project was funded by the Hoke County School Board.

Mr. Caddell provided an update on the project status of Foundation Hall and Kennedy Hall. Sterile processing equipment required some modifications of the facility, paid for out of contingency funds of \$14,000 to support the project. A minor HVAC leak has been repaired. The countertops in the Fletcher Auditorium are not up to standard. The College will hold the contractor accountable for replacement. There is a small leak in a roof panel in the radiography wing which has been repaired. The Meyer Hall bid was approved by the Sds Comm

asked if the programs that are listed in the catalog are new programs added to the curriculum. Dr. Roush explained that there are new certificate programs. Ms. Pratte asked a question regarding certifications. Certification programs require at least 20 students and must be identified at the State level. These include programs such as Nurse Aid, Cosmetology, and Basic Law Enforcement. These areas have a formal certification exam that students must take to become state certified. Regarding dual enrollment students, the liaison for the student would be located at the high school. The College has a Family Educational Rights and Privacy Act (FERPA) release nLaw
